- MEMBRANE & MODULE FABRICATION
- MEMBRANE PLANT ENGINEERING, DESIGN & CONSTRUCTION
- MEMBRANE FOR SPECIAL CASE
- MEMBRANE FOR RESIDENTIAL, EMERGENCY & LABORATORY

"Self-assembled Spinning Machine for Single-Bore & Multi-Bore Capillary UF membrane mass production"

"Multi-Bore Membrane provide robust, dependable structure"

"Non-Modular Membrane Unit Provide Larger Capacity, Simpler Operation & Lower Cost"

"Experienced in Membrane-Related Plant Engineering & Construction, Supported by solid Engineering Team and Experts from Indonesia Reputable Universities"

"Innovative Solutions for A Better Life"
